

## *Make Tennessee Temple University Your Partner For Education Today!*

Dear Tennessee Temple Alumni and Friends,

In my travels as President of this great university, I speak to many people every day who have not discovered the benefits of Tennessee Temple and our Distance Education Program. I want to take this opportunity to personally invite you to assist me in spreading the word. As you know, TTU has had a passion for equipping men and women for Christian service since 1946. For over 60 years we have challenged students academically and encouraged them to grow in their faith. Everywhere I go, I meet graduates like you, who testify of the impact of TTU on their lives and ministries.

You or someone you know may be diligently working to complete or further their education in order to do the work God has called them to do...most doing so, while maintaining professional and personal commitments. I understand the desire to be all God has called you to be and want you to know your university is still committed to meeting your personal education needs and the needs of those with whom you work and minister.

At the recent Tennessee Baptist State Convention, Highland Park Baptist Church was accepted as an affiliate church of the Tennessee Baptist Convention. As a result of this, our desire is to come alongside all conservative Churches, Christian Schools and adult learners throughout the nation to provide quality education programs that are flexible, convenient and affordable. With this in mind, I am pleased to announce the following opportunity:

**Register for a minimum of 2 or more courses in any program now through January 15, 2008 and all applicable fees will be waived. This is a savings of \$75 per course!**

While TTU is not an official Southern Baptist institution of higher learning, we highly value our relationship with Southern Baptists via HPBC and all churches who share our conservative, evangelical doctrinal statement.

## *What Others Are Saying About Tennessee Temple University*

Tennessee Temple University is important to me because of its incredible heritage of training so many Christ-honoring missionary preachers around the world. Any ministry that has meant so much to the kingdom must be perpetuated. I believe in the mission of TTU because I believe in its leadership. God has strategically placed men and women of God in places of leadership that have the potential of taking TTU to its brightest days.

**Johnny Hunt, Senior Pastor of Woodstock First Baptist Church, Woodstock, Georgia**

Tennessee Temple has been helpful in training many servants of Christ since its founding by Dr. Lee Roberson. Its conservative theology, emphasis on evangelism and local church relationship give it a special ministry in the southeast. Tennessee Southern Baptists would benefit greatly by having a school such as this with which to affiliate. It could provide a much needed additional opportunity for young men and women to be trained to serve the Lord Jesus Christ. I believe Tennessee Temple would be a valuable addition to the Southern Baptist educational family.
